

R E M A R K S

Reconsideration of this application, as amended, is respectfully requested.

ALLOWABLE SUBJECT MATTER

The Examiner's indication of the allowability of claims 18 and 19 is respectfully acknowledged.

Independent claim 13 has been amended to incorporate the subject matter of allowable claim 18 and intervening claim 17, and claim 19 has been amended to depend from allowable amended independent claim 13.

In addition, independent claims 29 and 32 (which recite a display method and computer readable medium corresponding to the camera apparatus of claim 13) have been amended in a similar manner to claim 13 to recite the allowable subject matter of claim 18 and intervening claim 17.

No new matter has been added, and no new issues with respect to patentability have been raised.

Accordingly, it is respectfully requested that the amendments to the claims be approved and entered under 37 CFR 1.116, and it is respectfully submitted that amended independent claim 13, claims 14-16 and 19-24 depending therefrom, and corresponding amended independent claims 29 and 32 are now all in condition for immediate allowance.

In view of the foregoing, entry of this Amendment, allowance of the claims and the passing of this application to issue are respectfully solicited.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

/Douglas Holtz/
